Bridging Eastern and Western Psychiatry is published in two volumes yearly in English, with a large abstract in Russian. The journal is aimed to strengthen relationships between Eastern and Western psychiatrists. It organizes conferences and promotes collaborative works and educational programs. Articles are accepted for publication on the condition that they are original contributions, submitted only to our journal. Bridging Eastern and Western Psychiatrists will consider for publication manuscripts, pertaining to the psychological reflection and the psychiatric practice, with particular emphasis on the community psychiatry and the research in cooperation, scientific exchanges between East and West in order to implement and adapt common practice.

The articles must be sent to the Editor in Chief, Mario Di Fiorino, M.D., via Montauti, 4 - I-55042 Forte dei Marmi (Italy), by mail and/or to m.difiorino@usl12.toscana.it.

Essays will be reviewed for the acceptance by Referees chosen by Editorial Board

The journal has been registered at Court of Lucca, Italy (Tribunale di Lucca) n. 853 of March 19 2007. Consent is given for copying of articles for personal or internal use of specific clients. This consent does not extend to other kinds of copying, such as for general distribution, resale, advertising or promotional purposes.

The publisher is Teseo ricerche Editore, Via Cardinale Maffi, 36 - 56127, Pisa - Italy - E-mail teseo@teseoricerche.it

Subscription rates: Institutional Rate. 35 € for Customers in Europe, 55 € in USA and Canada and other countries.

Tallin (Estonia) June 10th-13th 2009

12th CONFERENCE OF BRIDGING EASTERN AND WESTERN PSYCHIATRY

Мост между Восточной и Западной психиатрией

On behalf of the Organizing Committee it is our pleasure to cordially invite you to the 12th annual congress for Bridging Eastern and Western Psychiatry Мост между Восточной и Западной психиатрией, which will take place from 10-13 June 2009 in Tallin (Estonia).

As during the previous editions, emphasis will be given on the research in cooperation, about scientific exchange between East and West in order to implement and adapt common practice.

The theme of our meeting will be: The Service Development and the Outcome of Psychiatric Disorders. Diagnostic Challenges and Comorbidities. Psychotherapies and Pharmacotherapy.

We hope that you will participate actively to the conference and we would appreciate if you can contact us early as possible with suggestions and proposals.

Come to Tallin in June 2009 and together will have an opportunity to debate and share practice and knowledge and enjoy the wonderful Tallin.
